INTELLIGENT RE-ENGINEERING[®]

At MSE, every aspect of our products—from quality and reliability, to aesthetics and environmental impact—is thoroughly analyzed on an ongoing basis. We look for areas of continuous improvement and create ground-breaking patented technologies to keep pace with OEM design. The result is a better built, higher quality, more consistent product.

About MSE

Founded in 1994 by Yoel Wazana, MSE is the largest remanufacturer with U.S.-based production facilities and a leading-edge innovator in the marketplace. MSE pioneered the process of **Intelligent Re-Engineering[®]**, which employs patented technologies, proprietary processes, and stringent testing methodologies that result in the market's best alternative to high-cost OEM print consumables. MSE has sales and distribution in Canada, Europe (UK, Spain, and the Netherlands), Israel, United Arab Emirates, Brazil, California, and Pennsylvania.
